### Moderators:

Wagih El-Masry, Keele University, UK

### Exhibitor and Media partners:

With great pride, we thank our exhibitor Dr. Manuele Camolese, CEO of Multiossigen – Ozone Technology for exhibiting the advantages of Oxygen-Ozone (O2 O3) Therapy in treating the intervertebral disk Diseases. It has opened how for spine surgeons to collect a broad spectrum of idea on this innovative method in treating Lumbar Disc Herniation.

We are pleased to thank all our media partners for taking this event to a broad spectrum round the globe. Our key supporting media partners are

Kind Congress, The Jooble, CN1699, OnlyMerit, Medical Tourism Directory, and Jobsora,

The Spine 2019 wouldn't have reached the top if not with the support of International, multi-professional committee and coordination of the Journal of Neurology and Clinical Neuroscience and The Neurosurgery Journal hence, we express our deep sense of gratitude.
