After gaining a very favourable outcome out of the past conference in the Neuroscience Lexis, CME accredited- International Conference on Neuroscience and Stroke – [Neuroscience 2020](#), Lexis takes all the pride in announcing the Upcoming Conference in the successful series of Neuroscience Conferences.

Neuroscience 2020- The two-day gathering of world-renowned researchers, surgeons, experts and practitioners of Neuroscience and stroke field is scheduled on [December 14-15, 2020](#) in [Dubai, UAE](#). The International Conference on Neuroscience and Stroke- Neuroscience 2020 is going to happen on the [13th and 14th December 2020](#) in [Dubai, UAE](#). Neuroscience 2020 desires at integrating all the renowned Researchers and Doctors, Medical professionals, Fellowship holders, Residents, Pharmaceutical industries and Healthcare industries in the field of Neuroscience. The objective of this conference is to gather like-minded coteries to facilitate the flow of ideas, thoughts, suggestions and motivations

This [Neuroscience Conference](#) runs on the theme 'Recognising pioneers for future research in neuroscience and stroke', which concedes that [Neuroscience 2020](#) will act as a platform for exploring the novelties in the field of Neurology. In this gathering, the breakthroughs related to Neuroscience are about to be deliberated and cognizance of the treatments is to be shared.

Neuroscience 2020 will serve a great opportunity for the delegates of universities and Institutions as it allows people to interrelate with world-class neurologists, Researchers and Surgeons. Neuroscience 2020 will not simply be a stage estimation in a gigantic event of people, yet additionally, it's an attempt to spread research advances in the ever evolving-field of Neuroscience and Stroke Conference.

The scientific event focuses on this Neuroscience 2020 on the research which is currently being undertaken in the field of Neuroscience and Stroke including Neurological disorders and Neuroprotection, Stroke rehabilitation, Neurophysiology, Neurodegeneration, Neurooncology, Neurology, and Stroke Nursing and Interventions.

[Neuroscience 2020](#) Conference embraces Keynote speeches, Oral, Poster and Video Presentations. The fostered participants can confirm their participation by registering in Neuroscience 2020. All the accepted abstracts will be published in the supporting journals like Journal of Neurological disorders, Research in Neurology and Neuroscience and Journal of Neurology and Neurophysiology.

This conference will help the attendees in building a strong professional network by facilitating a fresh perspective of ideas, knowledge in recent advancements, one-on-one engagements and streamlining of techniques. Neuroscience 2020 Conference is organized under the belief that one-on-one interactions and discussions open door to innovations and inventions. We are proud facilitators of such an opportunity.

[Neuroscience 2020](#) welcomes: NeuroSurgeons, Neurologists, R&D Companies, PhD Scholars, Physicians, Neuroscience Societies, Advertising Companies, Surgeons, Researchers, Scientists, Business delegates, institutions, companies and Clinics, Medical Colleges, Neurology Faculty, Stroke Associations and Societies, Industries,

Product development and marketing professionals, Healthcare Industries, Medical devices manufacturing companies.

We soulfully welcome you to Dubai, UAE and hoping that Neuroscience 2020 will inspire you and will result in new collaborations and friendships!
