11th International Congress on Clinical and Medical Case Reports" will be held during September 14-15, 2020 in Vienna, Austria, under the theme: "Accomplishing the Drastic Improvements in Healthcare to Reach New Heights".

The Clinical and Medical Case Reports conferences of the Conference Series serve as a platform to bring together all the researchers working in the field, in order to develop novel ideas aimed at creating a future having sustainable clinical and medical case reports in a new Medical world. Euro Case Reports 2020 offer several awards given to recognize outstanding scholarly contributions to the field of international studies. These awards have different groups, nominating procedures and submission deadlines. They recognize best Keynote Speaker Award, Outstanding Speaker Award, Best Organizing Committee Member Award, and Outstanding Master's/PhD/Postdoctorate thesis work presentation award and Best Poster Award.

You can nominate yourself or any other deserving candidate for these awards through online who would match the eligibility criteria.

Have a look at the [Euro Case Reports Award Categories](#):

Research Contribution Award: The Award strives in providing a strong professional development opportunity for early career academicians-meeting experts in the field, interacting with colleagues from other parts of the world and creating networks and long-term relations, and professionals having research knowledge for more than 10+ years in Medical fields either in public and private sector.

The Upcoming Researcher Award: The Scholar Level award will be presented to upcoming researchers and scientists in the field of Medical with a minimum of 10+ years of experience. The award is termed as The Upcoming Researcher Award. The researchers with a new and transforming lookup towards research are encouraged. The researchers should bring new technologies and innovations to their work according to the new trends in their field. You can nominate anyone you feel deserving to the award.

Women Scientist Award: Women scholars and scientists from different universities or who possess 10+ years of research

experience in Clinical and Medical related field. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. We are delighted to encourage Women Scientists and Researchers by providing a platform where they can present their work and passion towards their research. You can nominate any women you feel deserving to the award.

Outstanding Speaker: Gratitude for those who will present their projects and/or strategies and or schemes that have been implemented to improve long-term excellence in Medical field.

Best Keynote Speaker: This honor recognizes for Best Keynote Speakers who will display their experiments, procedures to improve strong excellence in Medical. This award perceives advancement in instructing methodologies and strategies just as in conveying keynote presentation in conference and centres on the uniqueness and creativity that expands member's interests. You can nominate deserving to the award.

Best Poster Presentation: This award recognizes individuals from poster presenters who have to display their outstanding research and findings for an innovative future. Recipients of the award are considered to be the Best Poster Presenter of the conference.

Outstanding Thesis Work Presentation: This award recognizes individuals in the early stages of their careers that have already made outstanding research, teaching, and/or service contributions to the field of information systems.

Take the opportunity to encourage the deserving candidates you know, nominate them through online and we will honor them for their work, research contribution and achievements.
