Prestigious Award for Young Research's at Diabetesummit2020- Discovering New Exploration in Diabetesummit2020 field

Diabete summit2020 Conference Committee is glad to announce World Summit on "Interventional Therapies for Diabetes and Multidisciplinary Medicine", held during June 10- 11, 2020 in Bangkok, Thailand by focus on the theme: "Exploring new insights and promoting awareness on diabetes health care"

awareness on diabetes health care".

The International Conference on "Diabetes summit 2019" hosted by conference series with the theme, Current Trends & Advancements in Diabetes Research for Better Healthcare System was successfully executed during October 21-22, 2019 in Barcelona, Spain. The conference offered a unique opportunity to investigators across the globe in order to meet, explore, network and perceive new scientific innovations. The conference received commendable and active participation was received from the Editorial Board Members of OMICS Group Journals as well as from the global scientists, Professors, Academicians, Researcher Scholars and students from diverse fields of Plant Science and Bio Technology.

The conference commenced with the presence of worthy Keynote forum and among the notable ones, few are listed below.

Title: Plastic surgery after massive weight loss

Alessandro Ferrario, Gruppo Ospedaliero San Donato, Italy

Title: Metabolic syndrome and obesity in children with genetic disorders

An shoo Agarwal, RAK Medical and Health Sciences University, UAE

Conference series is organizing "World Summit on Interventional Therapies for Diabetes and Multidisciplinary Medicine" which is going to be held on June 10 - 11, 2020 at Bangkok, Thailand.

The conference is going to cover the entire field related to Diabetes and Endocrinology, latest research and findings. The Conference will provide a platform where research scholars and students will be able to gain knowledge about new, innovative research and findings from the eminent Scientist, Researchers and Professors.

### The conference highlights of Diabetes Summit 2020 are as follows:

Diabetes, Type2 Diabetes and Its Treatments, Hyperglycaemia and Hypoglycaemia, Diabetic Nephropathy-Treatment and Care, Diabetic Encephalopathy, Diabetic Coma and Nursing, Obesity Surgery, Lipid Metabolism and Diabetes, Advanced Technologies and Treatments for Diabetes, Advanced Treatments for Obesity, Metabolism Syndrome Treatments, Diet and Nutrition, Diabetes Complications: Human Organs, Molecular and Cellular Endocrinology, Diabetes Technology and Therapeutics, Metabolism: Clinical

and Experimental, Genetics of diabetes, Biology of Diabetes

The Diabete summit 2020 theme has broad interests, which address many aspects of Diabetes and Endocrinology. The International Conference aim is to provide an opportunity to share knowledge, proficiency along with unparalleled networking prospects between several medical and industrial experts in the field of Diabetes, Endocrinology, Hypertension, and Obesity. These yearly Conferences gather eminent scientists, clinicians, surgeons, physicians, young researchers, industrial delegates and talented student groups in the field of diabetes and endocrinology under a single roof where interacting and worldwide partnering happens for the speeding up of future research.

#### **Supporting Journals for the Conference Diabetesummit2020:**

- Journal of Diabetic Complications and Medicine
- Endocrinology & Diabetes Research
- Journal of Clinical Diabetes

Diabetesummit2020 Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Diabetes, Endocrinology, Hypertension, and Obesity. Young Research's Awards at Diabetesummit2020 for the

Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Diabetesummit2020 young research forum.

#### **Benefits**

- Young Scientist Award recognition certificate and memento to the winners.
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field.
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

#### **Eligibility:**

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).

- Age limit-Under 35yrs
- All submissions must be in English.

Make a note only 25 slots are available in the above mentioned category so do not wait and confirm your participation at the earliest. Spots will be given on first come first serve basis.

Registration deadlines for the award are:

Last date for Early bird registration: December 30 – \$399

Last date for Mid-term registration: January 30 – \$499

Last date for registration: June 10 – \$599

Diabetesummit2020 provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join Diabetesummit2020 for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our Diabetesummit2020 more successful.

The Diabetesummit2020 conference offers other awards such as emerging scholar awards to outstanding researchers, exceptional graduates or early academicians who have distinctive enthrallment towards the conference themes. The Award strives in providing a strong professional development opportunity for early career academicians—meeting experts in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations. Scientific Service Achievement Award, The Research Contribution Award, The Upcoming Researcher Award, The Women of Science Award,

Outstanding speaker in Diabetesummit2020, Best Keynote Speaker in Diabetesummit2020, Best Poster Presentation in Diabetesummit2020 and Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in Diabetesummit2020.

Conference Series LLC Ltd, the World's leading Event Organizer provides Meeting Inspiring Speakers and Experts at our 3000+ Global Events with over 1000+ Conferences, 1000+ Symposia and 1000+ Workshops Symposia, Trade Shows, Exhibitions and Science Congresses in all the major scientific disciplines, including Clinical, Medical, and pharmaceutical, Engineering, Technology, Business Management and Life Sciences across America, Europe, The Middle East, and Asia Pacific from past 11 years, provides Unique Opportunity! Online visibility to the Speakers and Experts. Conference Series LLC LTD is an open resource platform that conducts 3000+ global events including International Conferences, Workshops and is reaching over 25 million researchers, scholars, students, professionals and corporate entities all over the globe.
