Pediatric specialization & Founder, Department of Pediatrics, Berbir, Makassed & Mother and Child Hospitals, Beirut, Lebanon, E-mail: azizk05@yahoo.com

The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers.

Fetal Medicine 2020 invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: Fetal Medicine 2020. This Fetal Medicine 2020 [Young Scientist Awards](#) will be announced at the upcoming 2nd International Conference on Maternal, Fetal and Neonatal Medicine at Kuala Lumpur, Malaysia this April 2020.

Young Researcher Sessions are organized at the Fetal Medicine 2020, to provide a unique platform for Young Researchers/Investigators for presenting latest research projects with an in-depth analysis. Conference Series LLC Ltd cordially invites Young Researchers from Universities/Institutes/Industries to present a short oral presentation during the forum. These oral presentations should be of 10 minutes duration in related scientific track followed by 5 minutes question hour. Therefore, presenters are encouraged to give comprehensive and dynamic talks. Applications will be selected based on past research productivity and future promise.

This [Young Scientist Award](#) is an initiative of Conference Series to recognize and provide incentives to the Young Researchers who has shown a great potential at their respective field of research. We at Conference Series always encourage the young budding minds to start their career in the field of Research and Innovations. The core of our Young Research Forum – Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at Fetal Medicine 2020 provide the best networking experience to the participant

for their overall professional growth and to promote the collaborative research.

About Conference Series:

Conference Series LLC LTD is an open resource platform that conducts 3000+ global events including International Conferences, Workshops, Symposia, Trade Shows, Exhibitions and Science Congresses in all the major scientific disciplines, including Clinical, Medical, and pharmaceutical, Engineering, Technology, Business Management and Life Sciences across America, Europe, The Middle East, and Asia Pacific. It is reaching over 25 million researchers, scholars, students, professionals and corporate entities all over the globe.

We encourage our authors and conference participants through research and travel grants, young research awards and provide assistance in career development and research guidance through 1000+ collaborations with NGOs, scientific and academic agencies, institutions that have signed with us.

About Conference:

Fetal Medicine 2020 provides a great platform to explore concepts with topics that include Neonatology and Perinatology, Fetal and Maternal Physiology, Maternal & Child Care, Maternal-Fetal Imaging, Maternal-Fetal Medicine & Nursing, Midwifery & Nursing, Multiple Pregnancies, Neonatal Oncology, Fetal Neurology, Neonatal Cardiology & Pulmonology, Neonatal Endocrinology, Neonatal Gastroenterology, Surgery and Radiology, Pregnancy and Childbirth, Neonatal Cholestasis, Rare Diseases, Neonatal Intensive Care Unit(NICU), Medical Complications of Pregnancy, Neonatal Immunity, Neonatal and Fetal Nutrition. The theme of the conference is "For Safe and Healthy

Pregnancies". We welcome all the Ob/Gyn surgeons, Gynecology consultants, MFM Specialists, perinatologists, neonatologists, researchers, students and delegates to take part in the meeting to share views and knowledge through keynote, poster and video discussions in the field of Fetal and Maternal Medicine. This conference provides an excellent opportunity to discuss the latest developments and challenges within the field.

Eligibility criteria for Young Scientist Awards: Fetal Medicine 2020:

The Fetal Medicine 2020: Young Scientist Awards: is for all young Researchers, Research Scholars (Preferably PhD, Post Doc, and Post Graduates & Graduates) who has involved themselves into the R&D sector. The candidates should have minimum 3+ years of Research experience and published minimum 3 research articles in international journals. Part time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization.

Benefits:

- Showcase your research through oral presentations.
- Learn about career development and the latest research tools and technologies in your field.
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research.
- Develop a foundation for collaboration among young researchers.
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe.
- Interact and share ideas with both peers and mentors.
- Opportunity for young researchers to learn about the research areas of their peers to increase their capacity as multidisciplinary researchers.

- Actively distribute information and promote the benefits of education and career matters.

NOTE: Applications are invited on first come first basis. Only 25 nominations are accepted globally.

Basis for Judging:

Nominated candidates need to present their research or talk for 25-30 minutes in front of the panel members. Subject should be under the scope of the [Fetal Medicine 2020](#) Conference. Selection will be on the basis of individual accomplishments, quality & standards of research, Nobel thought, Research methodology, innovative ideas, style of presentation, Significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain.

Nomination:

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/ Research guide. The student must be the first author & the student's advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the [Fetal Medicine 2020: Young Researcher Award](#) should send their resume, along with a letter of recommendation (from a research adviser / faculty/ Organization heads) to fetalmedicine@memeetings.com along with the online application at the [Fetal Medicine 2020 Award](#) page.

Presentation:

This award will be presented at Tokyo during [Fetal Medicine 2020](#) Conference.

Prize:

- We will recognize the awardee(s) with a memento, & Certificate of Appreciation followed by special incentive for the next chapter of the conference.

- The prize-winning papers will be considered for publication in the supporting journals subjected to standard review procedures
- Opportunity will be given to be Student ambassador for the subsequent future conferences.
