

Young Researchers Forum - Young Scientist Awards at 4th Global Congress on Bacteriology and Infectious Diseases

Giulio Tarro

Chairman of the Committee on Biotechnologies and Virus Sphere, WABT - UNESCO, France, E-mail: giuliotarro@gmail.com

Young Research Forum

Conference Series is glad to announce the 4th Global Congress on Bacteriology and Infectious Diseases which is going to be scheduled during **September 28-29, 2020** at **Prague, Czech Republic**. We cordially invite Young Researchers from Universities/Institutes/Industries to explore the research work in front of the eminent personalities at the conference.

Infectious Diseases Congress 2020 Conference Committee is intended to honor prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, in recognition of their outstanding contribution towards the conference theme.

Benefits

- Showcase your research through oral presentations.
- Learn about career development and the latest research tools and technologies in your field.
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research.
- Develop a foundation for collaboration among young researchers.
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe.
- Interact and share ideas with both peers and mentors.
- Opportunity for young researchers to learn about the research areas of their peers to increase their capacity as multidisciplinary researchers.
- Actively distribute information and promote the benefits of education and career matters.

Eligibility

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher/Young Scientist can submit only one paper (as first author or co-author).
- Age limit-Under 35yrs
- All submissions must be in English.

Infectious Diseases Congress 2020 provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join Infectious Diseases Congress 2020 for promoting your research article and to facilitate prestigious award in all categories.

In this fame, we look forward for your contribution and astonishing dedication to make our Infectious Diseases Congress 2020 more successful.

Proposals for nominations should be sent to Alan James at infectious@alliedmeetings.com

Accepted abstracts will be published in the **Journal of Infectious Diseases & Preventive Medicine** with a unique DOI Number.

Note: Last date for Initial application February 28 – \$399
