Best Poster Presentation – Best Poster Awards, Crops-Agri-2020

The Best Poster Award is meant to encourage students in taking active part in the International Science platform to sharpen their skills and knowledgebase. This Award is to highlight good quality posters presented at the Annual Meetings. The Award will be given to the best students, PhD candidates and early stage postdocs. It rewards a combination of excellent research, innovation, and presentation. As the goal of this poster award is to foster the clear communication of scientific content also to non-specialists of the presented topic, the emphasis of the evaluation will be put on the attractiveness of the graphical representation and on the clarity of the text. Only posters which satisfy the communication criteria will be taken into consideration for the evaluation from a scientific point of view.

Judging Criteria

- The judgment will be done by Board of Jury.
- You will be given about 8-10 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster.
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement.
