Conference Series LLC Ltd invites the participants from all over the globe to take part in “**Annual Congress on Biofuels and Biopolymers**” during **May 28-29, 2020** at **Vancouver, Canada**. The conference focuses on the theme: “*Innovative Challenges in the real-world of Biofuels*”. Scientific sessions designed for this conference will assist the attendees and participants to learn extremes.

[Biofuels 2020](#) aims to bring together the pioneers in both basic and translational Biofuels research and cover the research studies, Advanced Biofuels and Biopolymers, [Renewable Energy](#), Aviation Biofuel, Algae Biofuels and fossil fuels, Recycling and Waste Management of polymers, Biopolymers in Biomedical Applications, [Biopolymers](#) in Biofibers & Microbial Cellulose, Synthetic polymers, Nanopolymers and Nanotechnology, Polymer Physics and Chemistry, Future & Scope of Biopolymers, Biofuels, Biogas and [Biodiesel](#), Biomass Technologies, Bioalcohols and Bioethanol, Green Composites in Biopolymers, Biomaterials and Biocomposites, Biodegradable Plastics Applications, Bioenergy, [Biomass](#) and Bioinformatics, Bioeconomy and future of bio-based materials.

[Biofuels 2020](#) is a trending event which brings together efficient international Chemical, Electrical & Electronics Engineers, Mechanical Engineers, Civil Engineers, Environmental Engineers and Biofuels and biopolymers professionals, designers who are related to those topics are making the congress a perfect platform to share experience, gain and evaluate emerging technologies in Biofuels and [Biopolymers](#) across the globe. Initiation of cross-border co-operations between scientists and institutions will be

also facilitated. This conference provides two days of great opportunity to discuss on recent approaches and advancements for development of new techniques for Biofuels.

Prestigious Award for Young Research's at Biofuels 2020 - Discovering New Exploration in Biofuels and Biopolymers

Biofuels and Biopolymers Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Biofuels and Biopolymers.

Young Research's Awards at Biofuels 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Biofuels 2020 young research forum.

Benefits:

- Young Scientist Award recognition certificate and memento to the winners.
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.

- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field.
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility:

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit-Under 35yrs
- All submissions must be in English.

Biofuels 2020 provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join Biofuels 2020 for

promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our Biofuels 2020 more successful.

The prize winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

How to apply

Candidates applying for the Young Researcher Award should send their resume, and a letter of recommendation (from a research adviser for students or a senior faculty member) to biofuels@eventcontact.org along with the online application form below.
