This Conference hosted a diverse panel of key members of the Neonatologists and Pediatricians from Academia, Research lab, Eminent Scientist, Scholar Students to discuss the theme of the conference, on the latest databases and research done in each and every area of the body, mind, spirit, and emotions and its therapy which will help for optimal health and wellness. This event was aimed to exchange and experience across a variety of topics that cover the latest insights in important aspects of Neonatology, Pediatrics and perceive new scientific interactions for proper balance in life...

Pediatric care 2018 witnessed an amalgamation of peerless speakers, who enlightened the crowd with their enviable research knowledge and confabulated on

various new-fangled topics related to the field of Pediatrics carried out through various scientific-sessions and plenary lectures.

Global pediatric summit 2020 developments are maintaining their momentum. Global pediatric summit program delves into strategic discussions.

Global pediatric summit 2020 conference committee is intended to honour prestigious **Young Scientist Awards** for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Neonatology and clinical paediatrics.

Young Research's Awards at Global pediatric summit 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Global pediatric summit 2020 young research forum.

Benefits:

- Young Scientist Award recognition certificate and memento to the winners
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.

- Provide an opportunity for research interaction and established senior investigators across the globe in the field
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility:

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit- Under 35yrs
- All submissions must be in English.

Criteria for Selection:

- The participant needs to showcase your research through oral presentations. This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research.

Global pediatric summit 2020 provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join Global pediatric summit 2020 for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our Global pediatric summit 2020 more successful.

The Global pediatric summit conference offers other awards such as emerging scholar awards to outstanding researchers, exceptional graduates or early academicians who have distinctive enthrallment towards the conference themes. The Award strives in providing a strong professional development opportunity for early career academicians-meeting experts in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations. Scientific

Service Achievement Award, The Research Contribution Award, The Upcoming Researcher Award, The Women of Science Award, Outstanding speaker in Global pediatric summit 2020, Best Keynote Speaker in Global pediatric summit 2020, Best Poster Presentation in Global pediatric summit 2020 and Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in Global pediatric summit 2020. This Event objective is to bring together pediatricians, neonatologists, experts in child development and other specialists to exchange their ideas and knowledge between the different disciplines for facilitating research and clinical interdisciplinary collaborations.

Conference Series LLC Ltd, the World's leading Event Organizer provides Meeting Inspiring Speakers and Experts at our 3000+ Global Events with over 1000+ Conferences, 1000+ Symposia and 1000+ Workshops Symposia, Trade Shows, Exhibitions and Science Congresses in all the major scientific disciplines, including Clinical, Medical, and pharmaceutical, Engineering, Technology, Business Management and Life Sciences across America, Europe, The Middle East, and Asia Pacific from past 11 years, provides Unique Opportunity! Online visibility to the Speakers and Experts. Conference Series LLC LTD is an open resource platform that conducts 3000+ global events including International Conferences, Workshops and is reaching over 25 million researchers, scholars, students, professionals and corporate entities all over the globe.
