Editorial

On behalf of Editor, Dr. Areerat Suputtitada, we would like to invite you to submit a manuscript for the special issue of "Novel approaches for chronic pain" in International Journal of Physical Medicine & Rehabilitation.

In this special issue, researchers from all fields related to Neurology & Rehabilitation are invited to contribute articles focused on "Novel Approaches for Chronic Pain" in order to exchange novel scientific methods and to share recent achievements. Basic, clinical and translational research relevant to the topic is welcome.

- Potential topics include, but are not limited to:
- Chronic Pain Management
- Neuropathic Pain Associated with Peripheral Neuropathy
- Symptoms, Diagnosis, & Treatment of Chronic Pain
- Chronic Pain Clinical Trials
- Self-management of chronic pain

International Journal of Physical Medicine & Rehabilitation is an open access journal, covers broad area for publication in the field of Rehabilitation. JPMR publishes most exciting original research articles, and review articles, related to all aspects of disability and rehabilitation.

Note that all manuscripts submitted for this Special Issue, which is limited to (10-15) articles, will be peer-reviewed following normal

practices of International Journal of Physical Medicine & Rehabilitation.
