Research Associate, Ministry of Health, Khartoum, Sudan, E-mail: [abdeenomer2@yahoo.co.uk](mailto:abdeenomer2@yahoo.co.uk)

[Global Toxicology](#) 2019 which was prevailed Oct 22-24, 2018 at Budapest, Hungary has invited all the participants, speakers, students, delegates, sponsors, exhibitors from all over the globe to the conference. These awards were nominated by an inclusive process through Division or Interest Groups. A winner is chosen from the finalists by dedicated award committees. The conference offered emerging scholar awards to outstanding, Scientists, researchers, exceptional graduates or early academicians who have distinctive enthrallment towards the conference themes. The Award strives in providing a strong professional development opportunity for early career academicians—meeting experts in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations. The five categories in which contestants were nominated and announced as winners are:

- Best Keynote Speaker- Ewa L Gregoraszcuk, Jagiellonian University in town, Poland
- Best Organizing Committee Member- Gorazd Drevenšek University of Ljubljana
- Best Speaker - Rana Jaffer, Hamad Medical Corporation, Qatar
- Best Masters/Ph.D/PosdDoc Thesis work presentation- Samuel Thakur, Sr Consultant Internal Medicine, Qatar
- Best Poster Award- , Simona Clichici, University of Medicine and Pharmacy, Romania

### Benefits of Attending the Conference:

- Accepted Abstracts are revealed in the various journals and can be labeled with a Digital Object identification number (DOI) provided by Cross referee (Free abstract publishing)
- Speaker and Abstract pages created in Google on your name would get worldwide acknowledgment to your profile and analysis

- The Career Guidance Workshops to the Graduates, Doctorates and Post-Doctoral Fellows, Certificate Accreditation from the Organizing Committee of presentation/ participation

- Best Poster and Young Researcher Award

- Symposium by Experts Team

- Best platform to develop new collaborations & partnership

- Network development with both Academia and Business

This event conjointly gave CME, CPD credits. CME refers to a selected type of continued education (CE) that helps those within the medical field maintain ability and find out about new and developing areas of their field. Through continued Medical Education and continued skilled Development, health care professionals maintain, develop and make sure that they keep their capability to apply safely, effectively and lawfully among their evolving scope of apply.

We also proudly announce our upcoming 19th International Conference on [Global Toxicology](#) and Risk Assessment that is going to be held at Florence, Italy during April 22-23, 2020. You can also nominate any of your colleagues/friends in the below categories through online.

Best organizing committee member, Best [keynote speaker](#), Best poster presenter, Best thesis and Best speaker. Nomination Submissions are to be scrutinized by the Organizing Committee Members for the Conference and the Editorial Board Members of the Associated Journals. Filing of Nomination does not guarantee the Award, each nomination submitted must go through the mentioned scrutiny process. Self-Nominations are also welcomed.
