We are happy to announce the International Conference on Bioavailability and Bioequivalence scheduled to be held in Paris, France on August 17-18, 2020.

The theme for the EuroBabe Conference is Unfolding Innovations in Bioequivalence/Bioavailability and Related Science

EuroBabe 2020, a two-day meet, aims to accumulate ardent minds ranging from frontiers to novices to discover, explore and create prospects to achieve greater changes in this field.

Our EuroBabe conference 2020 focuses to create a medium to connect eminent personalities from different backgrounds of pharmaceuticals. This not only helps to spark new research ideologies but also craft a network of high profile and skilled people to protect the future.

The Paris EuroBabe conference expects to compile 150+ participants mainly from Associations, Research Scientists, Pharmaceutical Industries, Pharma Researchers, Business Entrepreneurs etc.

The scientific contributions towards our Paris EuroBabe conference are welcome in the form of oral, video, poster presentations/workshops and seminars/ networking sessions/exhibits. These tracks are designed to reveal and augment the expertise of the attendees.

We truly believe EuroBabe 2020 conference to attain greater heights and success.

EuroBabe 2020 welcomes all the professionals, professors, students, research and environmental enthusiasts, business delegates to venture into complete experience at Paris, France on August 17-18, 2020.
