

21st International Conference on Industrial Chemistry and Aqua Technology, Industrial Chemistry 2019

David Kreher

Associate Professor E-mail: david.kreher@upmc.fr

[Conference Series LLC](#) Ltd sincerely thanks all of our wonderful Speakers, Conference Attendees and Collaborators; Industrial Chemistry 2019 Conference was our best ever!

[18th International Conference](#) on Industrial Chemistry & Water Treatment hosted by Conference Series LLC Ltd was held during April 26-27, 2019 Vancouver, British Columbia at Pacific Gateway Hotel at Vancouver Airport 3500

Cessna Drive Richmond British Columbia V7B1C7 Canada with the theme: Sustainable Industrial Chemistry & Advanced Measures for Waste Water Treatment: Improving Existing Technologies" which got splendid response. With the support and guidance of Organizing Committee Members and Editorial Board Members in the field of Industrial Chemistry and Water treatment and astonishing presentation of all participants this prominent event became more impressive.

Conference Series LLC Ltd would like to convey great appreciation to following eminent people, hon ourable guests and Keynote speakers.

Gene R H Fry, Northeast Utilities and Massachusetts Utility Commission, USA

Masayoshi Tabata, Muroran Institute of Technology, Japan

Laurel Schafer, The University of British Columbia, Canada

Toshiki Aoki, Niigata University, Japan

Conference Series LLC Ltd congratulates our Best Poster awardee Dr. Sol M Mejia from Pontificia Universidad Javeriana, Colombia for her outstanding performance in the field of [Materials Chemistry](#) and appreciate all the participants who had put their efforts in poster presentations and sincerely wish them success in future endeavours.

Organizers: Thomas J Webster, Northeastern University, USA

Sampath Kumar MC, B.M.S. College of Engineering, India

Conference Series LLC Ltd takes the privilege to felicitate the Keynote Speakers, Organizing Committee Members and Chairs who supported this event by facilitating the discussion forums.

With sustainable excitement for grand success of Industrial Chemistry 2019, Conference Series LLC Ltd is glad to announce next annual meeting 21st International Conference on Industrial Chemistry and Aqua Technology to be held during November 23-24, 2020 in London, UK.

We hope your favourable support will make our next annual conference also a grand success event.

[Industrial Chemistry 2020](#) supported by the organizing committee network of renowned scientific and professional expert such as M. Sij, The Université du Québec à Montréal (UQAM), Canada, David K, UPMC, France, Hanshan Dong, University of Birmingham, UK, J. O Roberts, Kyriakos Porfyraakis, University of Oxford, UK, Osman Adiguzel, Ankara University, Turkey, Paolo Arosio, Università degli Studi di Milano it provided a platform for collaboration among colleagues, vendors, and academia to reveal new innovations, solutions, ideas, and emerging technologies in Industrial Chemistry and Aqua Technology.

The GDP is projected to rise by 2.5 percent in 2019, 1.9 percent in 2020 and 1.8 percent in 2021. The chemical industry will be a source of strength, with growth of 2.5 percent in 2019 and 3.0 percent in 2020. In fact, chemical industry growth will exceed that of the US economy through 2024.

Industrial Chemistry Conferences going to be held during January, 2020 to December, 2020 at various cities in Europe (London, Barcelona, Madrid, Valencia, Rome, Milan, Berlin, Frankfurt, Vienna, Zurich, Dublin, Edinburgh.... And Many More....!!!
