With the prosperous completion of our Pediatrics Congress 2019 which was held in Tokyo Japan based on the theme of “Current Trends and Novel Advancements in the Pediatrics and Neonatal Care” we are glad to bring it back with a much refreshed and newer version of the “30th International Conference on Pediatrics, Neonatology and Pediatric Nursing” scheduled for June 22-23, 2020 in Prague, Czech Republic.

The past conference proceeded through various Scientific Sessions with highlighted Keynote presentations by:

- 1) Dinesh S Pashankar, Yale University School of Medicine, USA
- 2) Anand Prakash Dubey, ESI-Postgraduate Institute of Medical Sciences & Research, India
- 3) Su Boon Yong, Show Chwan Memorial Hospital, Taiwan

We are strived to various delegate members, healthcare representatives and other eminent and expert personalities who supported and helped the conference by facilitating efficient discussion forums. As per the requests from our previous participants we are glad to introduce the 30th International Conference on Pediatrics, Neonatology and Pediatric Nursing.

Bringing the series back with, Pediatrics Congress 2020

After much anticipation from our previous participants, we are organizing the “30th International Conference on Pediatrics, Neonatology and Pediatric Nursing” on June 22-23, 2020 to take place in Prague, Czech Republic.

The theme for [Pediatrics Congress 2020](#) is: Exploring New Technologies and Inventions for Pediatrics and Neonatal health.

We hereby put forward [Pediatrics Congress 2020](#) as an interdisciplinary program that meets the demand for education and development in the fields of Pediatrics and Neonatology.

Our aim for this series is to administer an academic feast for all the Pediatricians, Neonatology experts, Child specialists, pediatric doctors, Nurses and Scholars from both scholastic and Child healthcare Institutes and neonatology associations and related topics in order to

promote development and education in the field of Pediatrics and Neonatology.

With many more additions to the previous sessions our conference highlight for [Pediatrics Congress 2020](#) includes:

[Pediatrics Congress 2020](#) enhances pediatric education to improve pediatric and child healthcare Institutes to contribute to preservation and restoration of child health and care around the world. It is a very easy way to discuss the emerging Platform of Pediatric Surgery assigned with new devices. Pediatrics medicine continues to be an attractive field of medicine with great opportunities, Pediatric Conferences, Pediatrics Congress 2020, Pediatrics Events, Neonatology Workshops, Pediatrics Symposiums, World pediatrics Meetings, Pediatrics Conferences UK, Neonatology Conferences.

The Pediatrics Congress 2020 deliberations focus on pediatrics Institutes and healthcare organizations to contribute to preservation and restoration of childcare around the world and its sub-specialties. And it is designed to provide a platform for discussion and networking as well as to share new ideas, advancements and research related to the field.

This Academic event includes imperative Keynote forums, plenary presentations, poster presentations, workshops, exhibitions and more. By participating in forums, sharing research and collaborating, the research community will be much benefited.

Organized with the motive of accentuating the research with the help of international pediatricians, neonatology experts, pediatric surgeons, doctors and nurses by bringing together all the related experts and professionals under a single summit to emphasize the developments in paediatrics and neonatology field.

We welcome you all to connect, contribute and collaborate with Paediatricians and Neonatal experts/Surgeons/Associate professors from around the globe in the Pediatrics Congress 2020, June 22-23, 2020.
