

Developments in Oral Hygiene and Health

Jacob Jas*

Department of Periodontal, School of Dentistry, Amoud University, Borama, Somalia

Editorial Note

I'm gratified to specify that during the year 2020, Journal of Oral Hygiene and Health has effectively distributed its eighth volume and has delivered 4 issues for each year immediately. Journal of Oral Hygiene and Health (JOHH) is having the Index-Copernicus estimation of 84.15 and Journal impact factor is 0.72*. Alongside these JOHH is contain its NLM-ID as 101647653 and its International Standard Serial Number (ISSN) as 2332-0702. In excess of 50 well prominent experts all through the world were acting as Board of editorial for our journal. More than 200 articles were submitted which incorporate Review, research articles, case reports, short communications and so forth. In a normal the article acknowledgment or dismissal will be educated to writer inside 21 to 30 days of initial submission while the preliminary quality check result will be recognized inside 24 to 48 hours of early submission. For simple contact of authors, JOHH has given whatsapp contact number in our home page so that authors can contact easily for any questions or concerns to editorial assistant. Editorial, Review, and Manuscript tracking system was introduced for easy tracking of the manuscript by author, editor as well as publisher. Authors can track their manuscript easily by utilizing provided credentials during the period of submission. In 2020 JOHH is endeavor to procure quality articles identified with dental points, for example, progressed Bleeding Gums, Receding Gums, Coronal Fracture, Dental Anesthesia and Sedation, Dental Plaque, Dental Radiology, Dentistry and Diabetes, Gum Cancer, Gum Infection, Occlusal Splint, Oral Hygiene Blogs, Oral Hygiene

Case Reports, Oral Hygiene Practice, Oral Leukoplakia, Orthodontist, Periodontology, Root Canal Treatment, and so on. In 2020, JOHH has picked to utilize person to person communication (social networking platform) stage like twitter, LinkedIn to have simple connection with editors, reviewers, authors, as well as public and eminent experts. The new issues with respect to oral consideration are posting on regular routine in twitter. Also we might want to thank our readers for their help. We are having in excess of 2000 readers worldwide and this will be just conceivable with open access journal. Our journal gives its Google examination report and the visitor's traffic is the standard for the accomplishment of any logical journal and the JOHH is continually drawing in watchers across the world. Readers from the significant nations including Japan, United States, Japan, United Kingdom, Saudi Arabia, India, Egypt, and Pakistan visit our journal area to find out about the on-going exploration exercises in this domain. For its forthcoming volume of JOHH, we will give similar highlights much the same as 2020 and with the author's support and analysts work we will go further with four issues for every year and with more help from Editorial group we will attempt coin extraordinary issue identified with the subject of our Journal. Indeed I might likewise want to offer my thanks to all authors, reviewers, the publisher, the advisory and the editorial board of JOHH, the workplace conveyors for their help in bringing out one more volume and anticipate their tenacious help to draw out the Volume 9 issue 1 of JOHH in planned time. We guarantee the entirety of the readers that we do our level best in this long term.
