To Whom It May Concern,

I hereby express my great interest in continued service to *Journal of Spine* as Editor. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine and the technology communities.

I strongly recommend the *Journal of Spine* to be indexed in PubMed Central. This unique Open Access journal has become a very good source of information related to spine and spinal cord with many subscribers throughout the world. We also appreciate the hard work of the Editor-in-chief and other Editorial Board members and Journal staff who have all contributed to establish the journal's high professional standing.

If I may be of further assistance, please do not hesitate in contacting me.

Sincerely,

*Afrooz Afghani*
