RE: Support for OMICS Journal of Medicine to be indexed by PubMed Central

To Whom This May Concern With:

I am writing to you today to strongly recommend the OMICS Journal of Radiology to be indexed in PubMed Central. As an open access journal in the field of Radiology, OMICS Journal of Radiology has branded itself as a bridge between the quality of the publications and easy access to the broad audience in a timely manner. The Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

Please do not hesitate to contact me if you have further questions. Thank you for your consideration.

Sincerely,

A handwritten signature in blue ink, appearing to be "Baojun Li".
