To whom it may concern:

I, Dr. Betsy D. Gulledge, strongly recommend the Journal of Nursing & Care to be indexed in PubMed Central. The Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing. The indexing of Journal of Nursing & Care in PMC, would be mutually beneficial for our authors and in turn for the development of the journal.

Sincerely,

Betsy D. Gulledge, PhD, RN, CNE  
BSN Program Director/Assistant Professor
