Dear Sir/Madam,

I am addressing this letter in order to recommend the Journal of Alternative & Integrative Medicine as a journal which should be indexed in PubMed. The Journal of Alternative & Integrative Medicine is an international, open access, peer-reviewed scientific journal. The editorial board members and journal staff have worked very hard for the journal to establish its high professional standing and therefore I am recommending this journal to be indexed in PubMed.

With kind regards

Prof Claudio Nicolini

President Fondazione ELBA Nicolini

Foreign Member Russian Accademy of Sciences
