I hereby express my great interest in continued service in Journal of Gerontology & Geriatric Research as an Editor and Reviewer. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.

I strongly recommend this journal to be indexed in PubMed Central. Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

A handwritten signature in black ink, appearing to read "C. Atwood". The signature is fluid and cursive, with the first letter of the first name being a large, stylized capital 'C'.
