Dear PubMed staff,

The Journal of Vaccines & Vaccination has provided a nice platform to publish high quality manuscripts for the vaccine researchers for several years. I strongly recommend the Journal of Vaccines & Vaccination to be indexed in PubMed Central. The Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

Thanks for your attention!

Sincerely,

A handwritten signature in black ink, appearing to be 'Jiafen Hu', written in a cursive style.

Jiafen Hu
