I hereby express my great interest in continued service in regard to the Journal of Pharmacogenomics and Pharmacoproteomics as an Editorial Board Member, Author, and Reviewer. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.

I strongly recommend this journal to be indexed in PubMed Central. Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

Sincerely,

Kelan G. Tantisira, M.D., M.P.H.
