Dear National Library of Medicine members:

I am writing this letter in support of the application of the Journal of Nephrology and Therapeutics for being indexed in PubMed central. Since its inception the journal has published very high quality research papers along with several reviews from leading experts in the field. The Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing. I strongly recommend the Journal of Nephrology & Therapeutics to be indexed in PubMed Central.

Sincerely,

Kunal Chaudhary MD, FACP, FASH, FASN
Professor of Medicine, Division of Nephrology
