I hereby express my interest in continued service as an Editor for the Journal of Glycomics & Lypidomics. I give my consent to the Journal to disclose my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.

I strongly recommend this journal to be indexed in PubMed Central. The journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

A handwritten signature in black ink, appearing to read 'Aindrila Mukhopadhyay', with a horizontal line underneath and a small flourish at the end.
