11th July 2013

To,
National Library of Medicine
Building 38A - Room 4N-419
8600 Rockville Pike
Bethesda, MD U.S.A. 20894

I hereby express my great interest in continued service in Journal of Molecular Biomarkers & Diagnosis as an Editor. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.

I strongly recommend this journal to be indexed in PubMed Central.

The editorial board members and journal staff have worked very hard for the journal to establish its high professional standing and thereby recommending this journal to be indexed in PubMed Electronic/ Normal.

Yours sincerely,

Prof Marco Falasca
