Dear [Author's Name],

Thank you for submitting your manuscript to our journal. I am pleased to inform you that your paper has been selected for publication. I believe that your work will contribute significantly to the field of [Field of Interest].

I would like to express my gratitude to the anonymous reviewers for their thoughtful and constructive comments, which have helped to improve the quality of your manuscript.

Please find the final version of your paper attached. I encourage you to make any necessary revisions before finalizing the publication process.

Thank you again for your submission, and I look forward to working with you in the future.

Sincerely,

[Your Name]

Note:

1. I strongly recommend this journal to be indexed in PubMed Central. Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

2. Any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.

3. Author (or) Reviewer, I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest.

4. I hereby express my great interest in continued service in Journal of Biomedical Engineering and Biomedical Sciences as an Editor (or) Reviewer.
