Subject: recommendation letter

As Team Membrane Manager (EPM-CNRS-UMR 7340),
I strongly recommend Journal of Membrane Science and
Technology to be indexed in PubMed.

We have more than 12 Ph-D students and more than 10
master per year in our team. Between 2009 and 2012 we have
published more than 45 international publications and so it is
very important to index this journal in PubMed.

Pr. P. Moulin

Sincerely,
