### **Letter of Recommendation**

I hereby express my great interest in continued service in Journal of Medical Microbiology & Diagnosis as an Editor. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest, Which would interfere with this important service for science, medicine, and technology communities.

I strongly recommend this journal to be indexed in PubMed Central. Journal staff and Editorial board members have worked very hard for the journal to establish its high Professional standing.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Şahin DİREKEL'.
