I hereby express my great interest in continued service in Journal of Stem Cell Research & Therapy as an Editor (or) Author (or) Reviewer. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.

The editorial board members and journal staff have worked very hard for the journal to establish its high professional standing, I strongly recommend this journal to be indexed in PubMed Central.
