TO WHOM IT MAY CONCERNED

This is to state that the journal entitled, "*Journal of Biofertilizers and Biopesticides*" is an important journal which explore the novelty on the recent advancement in research in the field of bio-fertilizers and bio-pesticides. It invites research papers in the field of applied research from eminent scientists from all over the world.

So, I strongly recommend this journal for international recognition for the benefit of researchers. I strongly recommend this journal to be indexed in PubMed".

Sincerely,

Dr. Subbiah POOPATHI
