Bethesda, MD U.S.A. 20894

I hereby express my great interest in continued service in Journal of Fungal Genomics and Biology as a Board member. I further give my consent to disclose by the Journal my affiliation and contact information. I do not have any conflict of interest, which would interfere with this important service for science, medicine, and technology communities.

I strongly recommend this journal to be indexed in PubMed Central. Journal staff and editorial board members have worked very hard for the journal to establish its high professional standing.

A handwritten signature in black ink, appearing to read 'V. Gouli', is positioned to the right of a vertical yellow line.

Vladimir Gouli, DSc, Plant and Soil Sciences Department
University of Vermont
